Agenda Item No. 3(B)(5)

Subject: Resolution Authorizing Submittal of a Grant Application to Florida Inland Navigation District's Waterways Assistance Program for \$526,300.00 with Matching County Funds of \$591,930.00 for Replacement of Tie Rods at Four Docks in Matheson Hammock Marina

Recommendation

It is recommended that the Board of County Commissioners (Board) authorize the County Mayor or County Mayor's designee to apply to Florida Inland Navigation District's (FIND) Waterways Assistance Program for \$526,300.00 with matching County funds of \$591,930.00 for replacement of tie rods in four (4) docks at Matheson Hammock Marina. It is further recommended that the Board authorize the County Mayor or County Mayor's designee to receive, and expend funds and execute grant agreements, certain amendments and other documents, as required by the grant upon review and final approval of the County Attorney's Office.

Scope

Matheson Hammock Marina is located at 9610 Old Cutler Road, Coral Gables, in Commission District 7, which is represented by Commissioner Xavier L. Suarez.

Fiscal Impact/Funding Source

The total cost of the project is \$1,118,230.00. If awarded, the FIND grant will provide funds of \$526,300.00 and the County will provide \$591,930.00 of project funding from Parks, Recreation and Open Spaces Department (PROS) Index code PRE130935014, the Florida Boating Improvement Vessel Fee Allocation Fund. The project solely replaces tie rods in existing docks; therefore, no additional operating cost will be incurred from completion of this project.

Track Record/Monitor

The proposed grant will be administered by PROS Grants Manager, Gina Drakes.

Background

FIND is a Special Taxing District for the continued management and maintenance of the Atlantic Intracoastal Waterway. The application is due on March 30, 2016 and is required to be accompanied by the adopted resolution. If awarded, the grant term will begin October 2016 and end September 2018. The project is scheduled to be completed within the grant term, but, if needed, a one-year extension is allowed upon request.

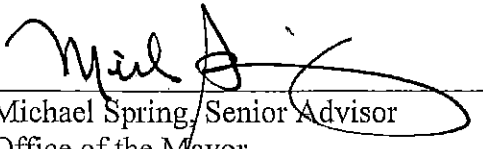

The County's estimate of the project cost is \$1,118,230.00. The FIND estimated total project cost is \$1,052,600.00, which is less than the estimated project cost because FIND disallows in-house costs such as project management, and bidding and contracting costs from the grants program. Thus, the

maximum FIND grant is 50 percent of allowed project costs. The County match provides the remaining funding, which is sufficient to complete the project.

As part of the application process, FIND requires a resolution be adopted in substantially the form of this resolution by the agency seeking FIND grant funds. Amendments will only be made in conformance with this resolution where no additional matching funds or other County funds are encumbered. Otherwise, Board approval will be required to make amendments to the grant.
